Lady & Gentlemen,

As committed by the mayor, please find the following opinion from the city attorney regarding the status of the language in the Ordinance passed on to the full Council for your consideration by the Public Works Committee.

If you have any further questions, don't hesitate to contact our office or Mr. Crego's office directly.

Thank you.

Subject: Vance/Overhead Door Ordinance

At your request, I have reviewed the above referenced ordinance. As I understand the phrase"...and provide services for the City of Jonesboro" has been questioned. If that language is deleted, the ordinance would have no practical effect. Without that language Jonesboro Overhead Door could "bid" but could not accept because they would not be authorized to "provide services" called for . Accordingly, I would not recommend removing the language.

Phillip
