In accordance with 24 CFR § 85.44, the Grantee may also suspend or terminate this Agreement, in whole or in part, if the Subrecipient materially fails to comply with any term of this Agreement, or with any of the rules, regulations or provisions referred to herein; and the Grantee may declare the Subrecipient ineligible for any further participation in the Grantee's contracts, in addition to other remedies as provided by law. In the event there is probable cause to believe the Subrecipient is in noncompliance with any applicable rules or regulations, the Grantee may withhold up to fifteen (15) percent of said Agreement funds until such time as the Subrecipient is found to be in compliance by the Grantee, or is otherwise adjudicated to be in compliance.

In accordance with 2 CFR § 200.213, Non-federal entities are subject to the non-procurement debarment and suspension regulations that strict awards, sub-awards, and contracts with certain parties that are debarred, suspended, or otherwise excluded from or ineligible for participation in CDBG programs or activities. Subrecipient under this Agreement shall be registered with System for Award Management prior to funds procurement. Costs to the non-Federal entity resulting from obligations incurred by the non-Federal entity during a suspension or after termination of a Federal award or sub-award are not allowable unless the Federal awarding agency or pass-through entity expressly authorizes them in the notice of suspension or termination or subsequently. However, costs during suspension or after termination are allowable as specified in 2 CFR § 200.342.

I. Authorization to Enter Agreement

The undersigned person signing as an officer on behalf of the Subrecipient, a party to this Agreement, hereby severally warrants and represents that said person has authority to enter this Agreement on behalf of said Subrecipient and to bind the same to this Agreement, and further that said Subrecipient has authority to enter into this Agreement and that there are no restrictions or prohibitions contained in any article of incorporation or bylaw against entering into this Agreement. It is agreed that the Subrecipient will provide a copy of the board minutes designating said authority, which is to be attached as a permanent part of this agreement.

**IX. ADMINISTRATIVE REQUIREMENTS**

A. Financial Management

1. Accounting Standards

The Subrecipient agrees to comply with 24 CFR § § 84.21-28 and 2 CFR § 200.419, and agrees to adhere to the accounting principles and

procedures required herein, utilize adequate internal controls, and maintain necessary source documentation for all costs incurred.

2. Cost Principles

The Subrecipient shall administer its project in conformance with 2 *CFR* § 200 subpart E, "Cost Principles". These principles shall be applied for all costs incurred whether charged on a direct or indirect basis.

B. Documentation and Record-Keeping

The Subrecipient shall maintain all records required by the Federal regulations specified in 24 *CFR Part 570.506* that are pertinent to the activities to be funded under this Agreement. Such records shall include but not limited to:

- c. Records required to determine the eligibility of activities and recipients of said activities;
- d. Records required to determine the low income eligibility;
- e. Records required to document the acquisition, improvement, use or disposition of real property acquired or improved with CDBG assistance;
- f. Records documenting compliance with the fair housing and equal opportunity components of the CDBG program;
- g. Financial records as required by 24 *CFR Part 570.502*, 24*CFR* 84.21-28, and 2 *CFR* § § 200.333-200.337; and
- h. Other records necessary to document compliance with Subpart K of 24 *CFR* § 570.

2. Retention

The Subrecipient shall retain all records pertinent to expenditures incurred under this Agreement for a period of five (5) years after the termination of all activities funded under this Agreement. Records for non-expendable property acquired with funds under this Agreement shall be retained for five (5) years after final disposition of such property. Records for any displaced person must be kept for five (5) years after he/she has received final payment. Notwithstanding the above, if there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the five (5) year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the five (5) year period, whichever occurs later.

3. Client Data

The Subrecipient shall maintain client data demonstrating client eligibility for services provided. Such data shall include, but not be limited to, client name, social security, income level or other basis for determining eligibility, and description of service provided. Such information shall be made available to Grantee monitors or their designees for review upon request.

4. Disclosure

The Subrecipient understands that client information collected under this Agreement is private and the use or disclosure of such information, when not directly connected with the administration of the Grantee's or Subrecipient's responsibilities with respect to services provided under this Agreement, is prohibited unless written consent is obtained from such person receiving service and, in the case of a minor, that of a responsible parent/guardian.

5. Property Records

The Subrecipient shall maintain real property inventory records which clearly identify properties purchased, improved or sold. Properties retained shall continue to meet eligibility criteria and shall conform to the "changes in use" restrictions in *24 CFR Parts 570.503(b) (8)*, as applicable.

6. Close-Outs

The Subrecipient's obligation to the Grantee shall not end until all close-out requirements are completed. Activities during this close-out period shall include, but are not limited to making final payments, disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to the Grantee), and determining the custodianship of records. Notwithstanding the foregoing, the terms of this Agreement shall remain in effect during any period that the Subrecipient has control over CDBG funds, including program income.

7. Audits & Inspections

All Subrecipient records with respect to any matters covered by this Agreement shall be made available to the Grantee, grantor agency, their designees or the Federal Government, at any time during normal business hours, as often as deems necessary, to audit, examine, and make excerpts or transcripts of all relevant data. **Any deficiencies noted in audit reports must be fully cleared by the Subrecipient within 60 days after receipt by the Subrecipient. Failure of the Subrecipient to comply with the above audit requirements will constitute a violation of this Agreement and may result in the withholding of future payments.** The Subrecipient hereby agrees to have an annual agency audit

conducted in accordance with current Grantee policy concerning Subrecipient audits and as specified in *2 CFR Part 200*.

C. Reporting and Payment Procedures

1. Program Income

The Subrecipient shall report quarterly all program income as defined in *24 CFR § 570.500(a)* generated by activities carried out with CDBG funds made available under this Agreement. The use of program income by the Subrecipient shall comply with the requirements set forth at *24 CFR § 570.504*. By way of further limitations, the Subrecipient may use such income during the Agreement period for activities permitted under this Agreement and shall reduce requests for additional funds by the amount of any such program income balance on hand. All unused program income shall be returned to the Grantee at the end of the Agreement period. Any interest earned on cash advances from the U.S. Treasury is not program income and shall be remitted promptly to the Grantee.

**This project is not allowed to generate program income.**

2. Indirect Costs

If indirect costs are charged, the Subrecipient will develop an indirect cost allocation plan for determining the appropriate Subrecipient's share of administrative costs and shall submit such plan to the Grantee for approval, in a form specified by the Grantee.

3. Payment Procedures

The Grantee will pay to the Subrecipient funds available under this Agreement based upon information submitted by the Subrecipient and consistent with any approved budget and Grantee policy concerning payments. With exception of certain advances, payments will be made for eligible expenses actually incurred by the Subrecipient, and not to exceed actual cash requirements. Payments will be adjusted by the Grantee in accordance with advance funds and program income balances available in Subrecipient accounts as applicable. In addition, the Grantee reserves the right to liquidate funds available under this Agreement for costs incurred by the Grantee on behalf of the Subrecipient.

D. Use and Reversion of Assets

The use and disposition of real property and equipment under this Agreement shall be in compliance with the requirements of *24 CFR Part 84, § 570.502, 570.503, and § 570.504*, and *2 CFR Part 200*, as applicable, which include but are not limited to the following:

1. The Subrecipient shall transfer to the Grantee any CDBG funds on hand and

any accounts receivable attributable to the use of funds under this Agreement at the time of expiration, cancellation, or termination.

2. Real property under the Subrecipient's control that was acquired or improved, in whole or in part, with funds under this Agreement in excess of \$25,000 shall be used to meet one of the CDBG National Objectives pursuant to *24 CFR § 570.208* until five (5) years after expiration of this Agreement. If the Subrecipient fails to use CDBG-assisted real property in a manner that meets a CDBG National Objective for the prescribed period of time, the Subrecipient shall pay the Grantee an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property. Such payment shall constitute program income to the Grantee. The Subrecipient may retain real property acquired or improved under this Agreement after the expiration of the five-year period.
3. In all cases in which equipment acquired, in whole or in part, with funds under this Agreement is sold, the proceeds shall be program income (prorated to reflect the extent to that funds received under this Agreement were used to acquire the equipment). Equipment not needed by the Subrecipient for activities under this Agreement shall be (a) transferred to the Grantee for the CDBG program or (b) retained after compensating the Grantee [an amount equal to the current fair market value of the equipment less the percentage of non-CDBG funds used to acquire the equipment].

For the purpose of this definition, "minority group members" are Afro-Americans, Spanish-speaking, Spanish surnamed or Spanish-heritage Americans, Asian-Americans, and American Indians. The Subrecipient may rely on written representations by businesses regarding their status as minority and female business enterprises in lieu of an independent investigation.

3. Access to Record

The Subrecipient shall furnish and cause each of its own subrecipients or subcontractors to furnish all information and reports required hereunder and will permit access to its books, records, and accounts by the Grantee, HUD or its agent, or other authorized Federal officials for purposes of investigation to ascertain compliance with the rules, regulations, and provisions stated herein.

4. Notifications

The Subrecipient will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency's contracting officer, advising the labor

5. Equal Employment Opportunity and Affirmative Action (EEO/AA) Statement

6. Subcontract Provisions

The Subrecipient will include the provisions of Paragraphs X(A), Civil Rights, and (B), Affirmative Action, in every subcontract or purchase order, specifically or by reference, so that such provisions will be binding upon each of its own subrecipients or subcontractors.

Such documentation shall be made available to the Grantee for review upon request.

3. "Section 3" Clause

a. Compliance

Compliance with the provisions of Section 3, the regulations set forth in 24 CFR 135, and all applicable rules and orders issued hereunder prior to the execution of this Agreement, shall be a condition of the Federal

financial assistance provided under this Agreement and binding upon the Grantee, the Subrecipient and any of the Subrecipient's subrecipients and subcontractors. Failure to fulfill these requirements shall subject the Grantee, the Subrecipient and any of the Subrecipient's subrecipients and subcontractors, their successors and assigns, to those sanctions specified by the Agreement through which Federal assistance is provided. The Subrecipient certifies and agrees that no contractual or other disability exists which would prevent compliance with those requirements.

The Subrecipient further agrees to comply with these "Section 3" requirements and to include the following language in all subcontracts executed under this Agreement:

"The work to be performed under this Agreement is a project assisted under a program provided direct Federal financial assistance from HUD and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701. Section 3 requires that to the greatest extent feasible opportunities for training and employment be given to low- and very low-income residents of the project area and contracts for work in connection with the project be awarded to business concerns that provide economic opportunities for low- and very low-income persons residing in the metropolitan area in which the project is located."

The Subrecipient certifies and agrees that no contractual or other legal incapacity exists which would prevent compliance with these requirements.

The Subrecipient will include this Section 3 clause in every subcontract and will take appropriate action pursuant to the subcontract upon finding that the subcontractor is in violation of regulations issued by the grantor agency. The Subrecipient will not subcontract with any entity where it has notice or knowledge that the latter has been found in violation of regulations under *24 CFR Part 135* and will not let any subcontract unless the entity has first provided it with a preliminary statement of ability to

comply with the requirements of these regulations.

4. Conflict of Interest

The Subrecipient agrees to abide by the provisions of 24 CFR § 570.611 with respect to conflicts of interest, and covenants that it presently has no financial interest and shall not acquire any financial interest, direct or indirect, which would conflict in any manner or degree with the performance of this Agreement. No person having such a financial interest shall be employed or retained by the Subrecipient hereunder.

These conflict of interest provisions apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the Grantee, or of any designated public agencies or Subrecipients which are receiving funds under the CDBG Entitlement program.

Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

6. Copyright

If this Agreement results in any copyrightable material or inventions, the Grantee and/or grantor agency reserves the right to royalty-free, non-exclusive and irrevocable license to reproduce, publish or otherwise use and to authorize others to use, the work or materials for government purposes.

7. Religious Organization
