Re: 415 Warner Avenue
Jonesboro, Arkansas 72401

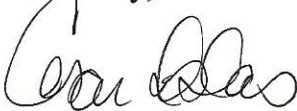

Dear Sir or Madam:

I am writing to address permit issue for the above referenced matter. I received notice regarding a chain linked fence I replaced with wood fence, that I failed to obtain a permit. The issue appears to be in violation of code enforcement. I would like to make the corrective actions to resolve this matter. I am submitting an Application for Residential Building & Zoning Permit Application and Request for Variance and Conforming Use of Change Requests. I own the surrounding buildings so the variance would not be an issue to my understanding.

I think the only issue is that I failed to obtain a permit. The fence is the same size as the old fence next door to this referenced property. I respectfully asked that my application be approved, and I pay the fees to obtain permit.

Should you have any questions, please call me directly at (870)316-0798.

Sincerely,

Cesar Islas
