APPLICANT: Carlos Wood of Wood Engineering on behalf of Lynn Turner is requesting MAPC Approval for 1421 Angelus Street for Lot 3 only having 50 ft. of frontage instead of the standard required 60 ft. of frontage on an R-1 Single Family Residential District. Going to build a house on this lot less than 60 ft. wide and on our discovery of this we found out the original plat showed these lots to be roughly 48 ft. wide going in the North and South Direction. Several Deeds in the past years has broken lots 6, 7, and 8 up into 3 lots and the lots going in the opposite direction going east to West. So we are building over lot lines also.

CHAIR: Lonnie Roberts ask about a residence being there before.

APPLICANT: Carlos Wood said there was a residence there before and it burned in 2005. So we want to replace the same footprint.

STAFF: Derrel Smith stated that planning had reviewed it and we do not see any problem with doing this Replat.

A motion was made by Dennis Zolper, seconded by David Handwork, that this matter be Approved. The motion PASSED with the following vote.

Aye: 7 - Jerry Reece;Kevin Bailey;Jimmy Cooper;Jim Little;Dennis Zolper;David Handwork and Jeb Spencer

Absent: 1 - Jim Scurlock

This is an R-1 Single Family Residential District Lot.

APPLICANT: George Hamman of Civilogic on behalf of owner Bill Greenwood who owns the two lots and he was getting two tax bills and that is why he was wanting to consolidate this and have only one tax bill. When we did that and upon dedication of the required 30 ft. Street right-of-way it created a 2 1/2" +/- encroachment into the front setback from the Standard 25 ft. and there is a corner of the house on the north side that is 1 1/4" encroachment into the side setback of the standard 7.5 ft. located at 1422 Haven Street with this in an R-1 Single Family Residential District Lot. We are requesting those changes to file this Replat.

CHAIR: Lonnie Roberts ask no change than in remodel or house.

APPLICANT: George Hamman said that is correct.

STAFF: Derrel Smith commented that we are in favor of the Replat.

A motion was made by Dennis Zolper, seconded by Jim Little, that this matter be Approved . The motion PASSED with the following vote.

APPLICANT: Mark Morris of Morris Real Estate Holdings, LLC and Meeks Properties and Investments, LLC are requesting a Rezoning from R-1 Single Family Medium Density Residential District to C-3 General Commercial District for .95 +/- acres 2 lots that border each other are located at 5925 Southwest Drive and 5704 Creekview Drive.

APPLICANT: Mark Morris stated that he owned the western lot and Meeks Properties owned the other lot of the rezoning plat. We are going from an R-1 to a Commercial Zoning. It has 49 frontage and I'm thinking it would be a good fit for a commercial property.

1. That the proposed site shall satisfy all requirements of the City Engineer, all requirements of the current Stormwater Drainage Design Manual and Flood Plain Regulations regarding any new construction.
2. A final site plan subject to all ordinance requirements shall be submitted, reviewed, and approved by the Planning Staff, prior to any redevelopment of the property.
