Dear Mr. Morris:

As may be seen by the plans presented, the replacement of the legal non-conforming off-premises sign will add no additional impervious surface. Therefore no detention or further storm water management is required.

Thank you for your time and attention. If we may be of further service, please do not hesitate to contact us at your convenience at the contacts shown above.

Respectfully,

The Civilogic logo, featuring the word "Civilogic" in a green, sans-serif font with a horizontal line underneath the letters "i", "v", and "i".

A handwritten signature in black ink, appearing to read "G. Hamman".
