A satellite map view of an industrial area. Two large, rectangular industrial buildings with light-colored roofs are the central focus. The building on the right is larger and has a more complex roof structure with multiple sections. The building on the left is smaller and has a simpler, gabled roof. They are situated on a large, paved lot. To the left of the buildings is a large, green, grassy area. To the right is a multi-lane road with a yellow center line. Several cars are parked along the side of the road. A red location pin is placed on the grassy area to the left of the buildings.
