REZONING INFORMATION:

The applicant is responsible for explaining and justifying the proposed rezoning. *Please prepare an attachment to this application answering each of the following questions in detail:*

- (1). How was the property zoned when the current owner purchased it? AG-1
- (2). What is the purpose of the proposed rezoning? Why is the rezoning necessary? Commercial development for storage units and service station.
- (3). If rezoned, how would the property be developed and used? Service station & storage buildings.
- (4). What would be the density or intensity of development (e.g. number of residential units; square footage of commercial, institutional, or industrial buildings)? 250 storage units.
- (5). Is the proposed rezoning consistent with the *Jonesboro Comprehensive Plan* and the *Future Land Use Plan*?
Yes. Land use plan has this area as Industrial Growth Sector.
- (6). How would the proposed rezoning be the public interest and benefit the community? The proposed rezoning is the highest and best use of the land, which is not suitable for agriculture, and would serve existing needs.
- (7). How would the proposed rezoning be compatible with the zoning, uses, and character of the surrounding area?
The surrounding area is highly industrialized and the proposed rezoning is entirely consistent with its surroundings.
- (8). Are there substantial reasons why the property cannot be used in accordance with existing zoning?
Given the adjacent properties and uses, it is not feasible to use the existing property for agriculture.
- (9). How would the proposed rezoning affect nearby property including impact on property value, traffic, drainage, visual appearance, odor, noise, light, vibration, hours of use or operation and any restriction to the normal and customary use of the affected property. There would be no adverse affect on nearby property value, traffic, drainage or any other aspect.
- (10). How long has the property remained vacant? Indefinite as far as the applicant's knowledge and belief.
- (11). What impact would the proposed rezoning and resulting development have on utilities, streets, drainage, parks, open space, fire, police, and emergency medical services? The proposed rezoning would not place undue additional burden on utilities, streets, drainage, and city services.
- (12). If the rezoning is approved, when would development or redevelopment begin? Estimated Fall 2019
- (13). How do neighbors feel about the proposed rezoning? Please attach minutes of the neighborhood meeting held to discuss the proposed rezoning or notes from individual discussions. *If the proposal has not been discussed with neighbors, please attach a statement explaining the reason. Failure to consult with neighbors may result in delay in hearing the application. No meeting was held due to the industrial/commercial nature of the surrounding property.*
- (14). If this application is for a Limited Use Overlay (LUO), the applicant must specify all uses desired to be permitted.
