ATTESTATIONS

COBRA

Group health plans for employers with 20 or more employees on more than 50% of the business days in the previous calendar year are subject to Cobra. Employers are required to provide qualified beneficiaries an election period during which the beneficiary can elect to continue coverage under the guidelines. We offer the services of a vendor, "Ceridian", to assist you in administering Cobra (no additional cost).

Both full time and part time employees are counted to determine if a plan is subject to Cobra. Each part-time employee counts as a fraction of an employee, with the fraction equal to the number of hours worked divided by the number of hours used to determine full time status.

(Yes_) (No_) As an employer, are you currently obligated by law to comply with COBRA?

(Yes_) (No_) Do you want to use the services of Ceridian?

(Yes_) (No_) If yes, are you currently contracting directly with Ceridian?

Medical Loss Ratio - The determination of Large and Small Groups is based upon the average number of employees employed by the employer on business days during the proceeding calendar year. The Public Health Services Act §2791(e) provides

- (1) The term "large employer" means, in connection with a group health plan with respect to a calendar year and a plan year, an employer who employed an average of at least 101 employees on business days during the preceding calendar year and who employs at least 2 employees on the first day of the plan year.
- (2) The term "small employer" means, in connection with a group health plan with respect to a calendar year and a plan year, an employer who employed an average of at least 1 but not more than 100 employees on business days during the preceding calendar year and who employs at least 1 employee on the first day of the plan year.

In the event federal or state law requires the Company to rebate a portion of an annual premium payment, Company will pay the Policyholder the total rebate applicable to the Policy, and Policyholder shall use the amount of the rebate that is proportionate to the total amount of premium paid by all Employees under the policy for the benefit of Employees in one of the following ways, at the option of the Policyholder:

- 1. For all Employees covered under any option offered under the policyholder's group health plan at the time the rebate is received by the policyholder, to reduce the Employees' portion of premium for the subsequent policy year;
- 2. For Employees covered, at the time the rebate is received by the policyholder, under the group health plan option for which the Company is providing a rebate, to reduce the Employees' portion of premium for the subsequent policy year;
- 3. A cash refund to Employees enrolled in the group health plan option, at the time the rebate is received by the policyholder, for which the Company is providing a rebate; and
- 4. The reduction in future premium or the cash refund provided under paragraphs 1, 2 or 3 of this section may, at the option of the policyholder, be: divided evenly among such Employees; divided based on each Employee's actual contributions to premium; or apportioned in a manner that reasonably reflects each Employee's contributions to premium.
