Donna,

This is 1435 South Flint a part of the West Nettlrton project. The owners of this property was contacted by phone and had the agreement explained to her at which time she stated she would not sign the contract. After several calls to their business phone and messages left for them they refused to return my calls. I am bringing you a copy of the letter that I sent by certified mail as there was no way to make contact. They were given "30" days to contact the MATA office after which we filed condemnation.

**SUBJECT:** R.O.W. Need at 1435 Flint Street  
**DATE:** January 17, 2003

I have tried repeatedly to make contact with you since our first conversation pertaining to the R.O.W. needed at 1435 Flint Street. I would like very much to explain what is needed and what are your options.

Please contact me within the next thirty "30" days. If at that time, I have not heard from you I will have no choice but to give the paper work to the City Attorney for processing.

Sincerely,

Harry Hardwick
