# GOJO

## Mission

To keep Jonesboro always moving by providing safe, reliable and affordable transportation that connects our community, supports sustainable growth and drives our city confidently into the future.

## Vision

We envision a Jonesboro that is always moving forward and powered by a transit system built on four community-driven commitments:

### Safety First, Always

We place the well-being of our passengers, drivers and the public at the center of every decision, maintaining a culture of rigorous safety and dependable service.

### Community-Centered Service

We move people by listening to our neighbors and adapting to the evolving needs of families, students and businesses.

### Equity in Opportunity

We believe mobility is a bridge to success. We work to remove transportation barriers and connect residents to essential services, healthcare, education, employment, events and more.

### Forward-Thinking Innovation

As Jonesboro grows, we evolve by embracing modern technology, sustainable solutions and system improvements that prepare our city for the future.

# LET'S GO

Download our App:

Designed with convenience, safety and connectivity in mind, Let's GOJO is your all-in-one resource for getting around Jonesboro.

## Rules to Ride

One-way fares must be paid upon boarding with exact change or a pre-paid pass.

### Destinations

Riders must inform the driver of their intended stop prior to arrival. All trips must be to a location along the bus's scheduled route.

### Behavior & Safety

Remain seated until the bus comes to a complete stop. Electronic devices must have headphones and a volume that does not disrupt other passengers. Do not engage the driver in unnecessary conversation while the vehicle is in motion. No smoking, littering, eating or drinking.

### Dress Code

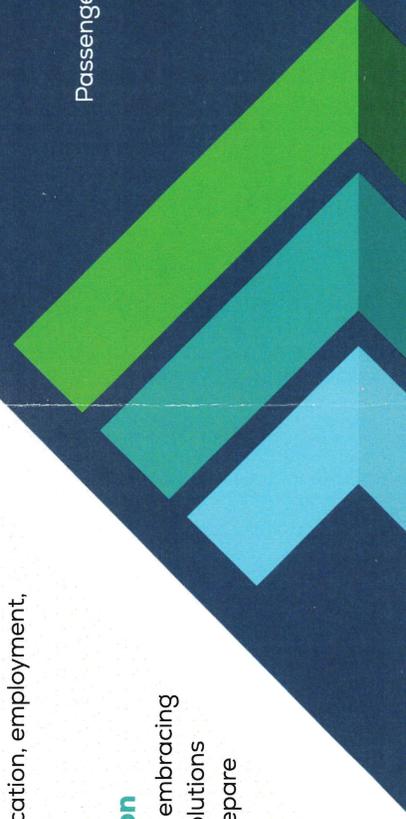

Passengers must wear appropriate, non-offensive clothing.

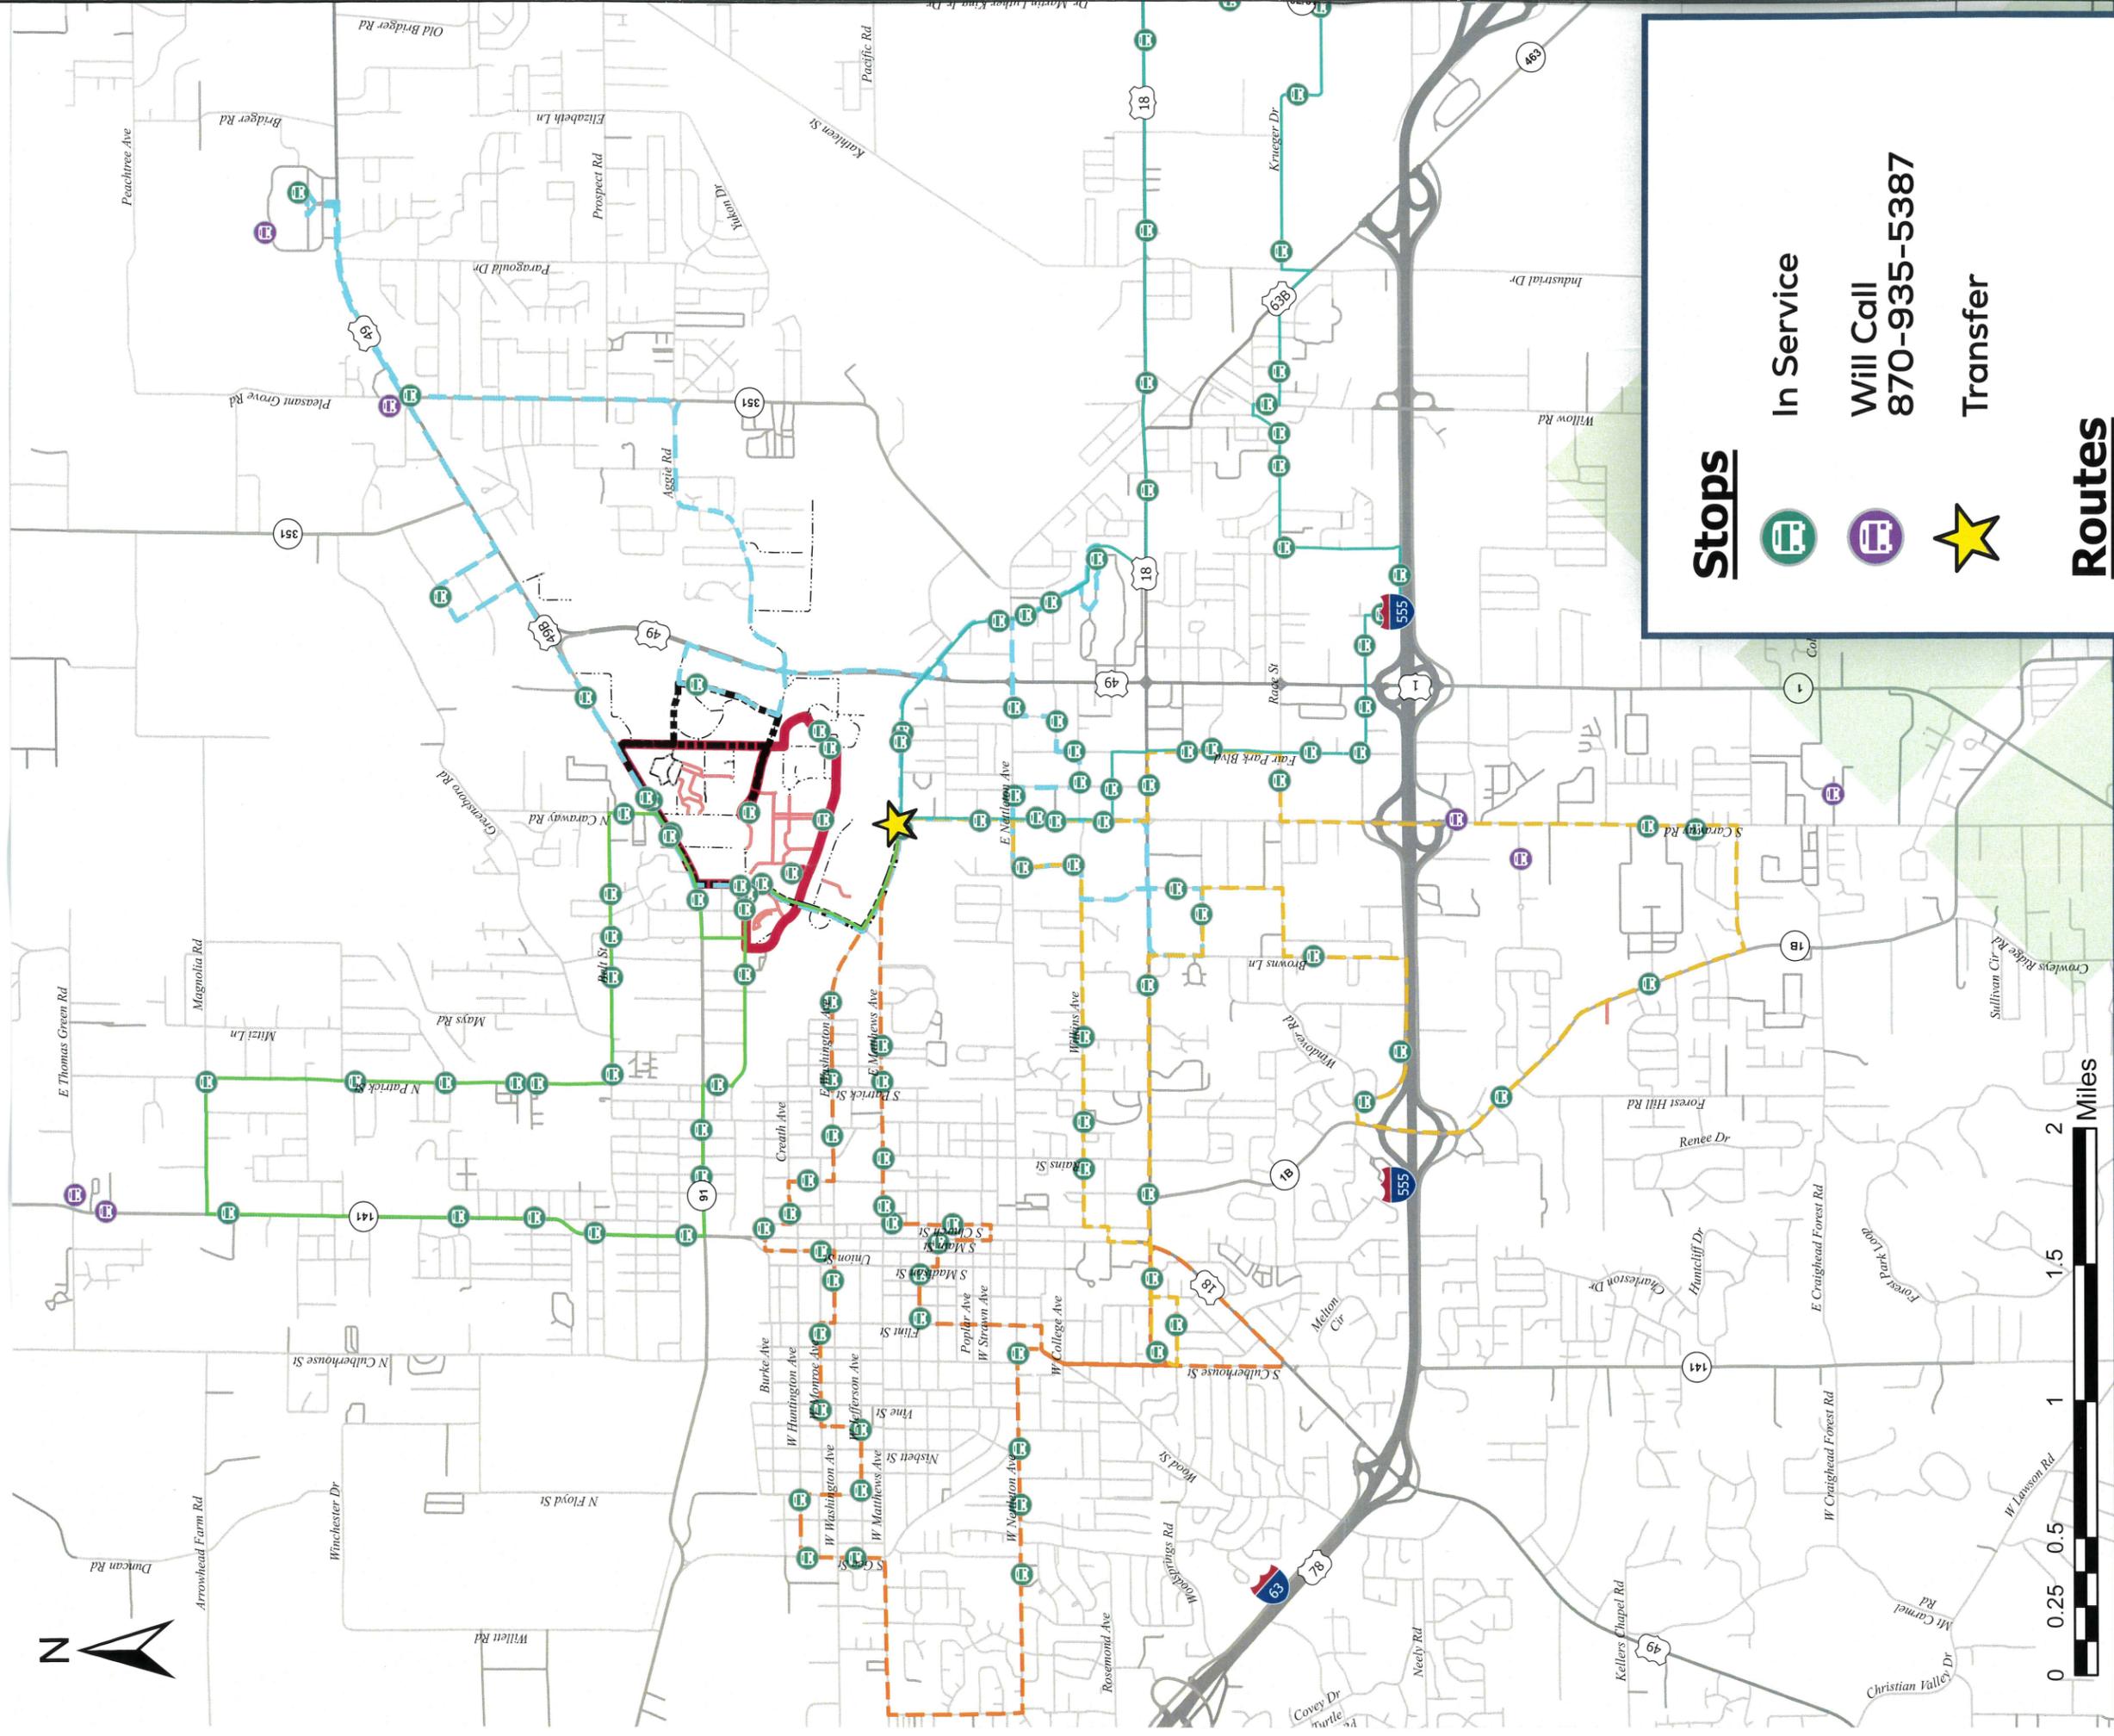

### A-State Students

Students ride all routes free with a valid ID.

### Paratransit:

Requires prior qualification and operates on a scheduled basis.
