***Note:** Customer acknowledges that The Lilly Company will expend significant time and resources in processing Customer's order(s) as described herein ("Order(s)") and that it would be difficult to calculate with exactness the precise damages which would accrue to The Lilly Company from Customer's cancellation of its Order(s). Therefore, if Customer elects to cancel its Order(s) for any reason, Customer expressly agrees to pay The Lilly Company, as liquidated Damages, a cancellation fee equal to ten percent (10%) of the gross dollar price of all cancelled Orders(s) for standard products and twenty-five percent (25%) of the gross dollar price of all cancelled Order(s) for all specially-ordered products. This being understood that such sums are an attempt to reasonably forecast at least some of the probable loss which would accrue to The Lilly Company as a result of Customer's cancellation of its Order(s).
