RE: Turtle Creek Greenway Lighting and Signage

To whom it may concern,

The City of Jonesboro Parks and Recreation Department does all maintenance for the Greenway Trails. This letter represents our assurance that the Department will maintain the Turtle Creek Greenway Lighting and Signage. The Department will check the lighting fixtures to ensure they remain in good working order as well to replace any lighting that is no longer functioning properly. All signage will be routinely checked to ensure they are visible and intact on an annual basis.

Sincerely,

Wixson Huffstetler  
Parks and Recreation Director

cc: Kimberly Marshall, Grants Administrator
