RE: Abandonment of Southwick Drive

Dear Mr. Allison

Concerning the above captioned project, we have no objections to closing that portion of Southwick Drive provided that the ten (10) foot Utility Easement that now exists along the rear property line of Lot 30 and 32 is extended across the sixty (60) foot that was Southwick Drive. I have enclosed a copy of a plat of this area with my request marked in red. If you have any questions, or if I can be of further assistance, please do not hesitate to call.

Sincerely,

A handwritten signature in cursive script that reads "Linda Brogdon".
