**PURPOSE:** A request to recommend approval to the Metropolitan Area Planning Commission for annexation on Craighead 745 Rd.

**APPLICANT:** Charles M. Mooney, Sr. Attorney Jonesboro AR  
**OWNER:** Randy & Becky Wrinkles, 1023 Ebbert Dr., Jonesboro AR

**LOCATION:** Northeast quadrant of the city limits north of Peachtree and north of Shipley Ln.

**SITE DESCRIPTION:**  
 Tract Size: Approx. 8.5 acres +/-  
 Frontage: 676.5 ft. along Craighead 745 Road  
 Topography: Predominantly Flat  
 Existing Dvlpmt: Vacant

<b>SURROUNDING CONDITIONS:</b>	<u>ZONE</u>	<u>LAND USE</u>

South:	R-1 Single Family	Vacant/Residential
East:	Unzoned (County)	Vacant/ Residential
West:	Unzoned (County)	Vacant

All the required documents have been submitted by Attorney Charles M. Mooney, Sr. meeting all the guidelines outlined in the procedure for annexation through the County Court. We have received a sealed and signed copy of the petition on November 13, 2007, from the County Clerk's Office.

**ZONING ANALYSIS:** City Planning Staff has reviewed the proposed Zone Change and offers the following findings.

**COMPREHENSIVE PLAN FUTURE LAND USE MAP**

The 1996 Comprehensive Plan Future Land Use Map (page 22) shows the area recommended as Village Residential and Medium-Density Residential. This designation includes all existing and future single-family residential uses that are three or less units per acre.

**Approval Criteria- Section 14.44.05, (5a-g)- Amendments:**

The criteria for approval of a rezoning are set out below. Not all of the criteria must be given equal consideration by the planning commission or city council in reaching a decision. The criteria to be considered shall include but not be limited to the following:

- (a) Consistency of the proposal with the Comprehensive Plan
- (b) Consistency of the proposal with the purpose of the zoning ordinance.
- (c) Compatibility of the proposal with the zoning, uses and character of the surrounding area;
- (d) Suitability of the subject property for the uses to which it has been restricted without the proposed zoning map amendment;
- (e) Extent to which approval of the proposed rezoning will detrimentally affect nearby property including, but not limited to, any impact on property value, traffic, drainage, visual, odor, noise, light, vibration, hours of use/operation and any restriction to the normal and customary use of the affected property;
- (f) Length of time the subject property has remained vacant as zoned, as well as its zoning at the time of purchase by the applicant; and
- (g) Impact of the proposed development on community facilities and services, including those related to utilities, streets, drainage, parks, open space, fire, police, and emergency medical services.

**Findings:**

Consistency is achieved with the Comprehensive Plan where Annexation/Residential (RS-8) is requested. *Staff requests that the commission modifies the request to RS-6* which will require any future subdivided parcels to be a minimum of 7,260 sq. ft., with 65 ft. minimum wide lots, having setbacks of 20 ft. in the front and rear and a combined 15 ft. on the side yards. Otherwise the requested RS-8 lot configuration would result lots under the 6,000 sq. ft.

This area is a part of the city that is segmented by a large cavity area of land that has not been annexed into the city over the past years. Staff anticipates multiple annexations to occur in this general vicinity, as the Commission has seen a recent proposing that moves towards the completing of this large tract of land into the City of Jonesboro.

**Conclusion:**

Staff finds that the requested Annexation/Zone Change as RS-6, submitted by Attorney Charles M. Mooney on behalf of Randy and Becky Wrinkles would follow good land use principles in the Case of AZ07-02, and should be recommended approved to the Jonesboro City Council for approval.

Respectfully Submitted for Commission Consideration,

Otis T. Spriggs, AICP  
Planning & Zoning Director
