Chairman Street explained this will help with approving standard stormwater maintenance agreements. He further explained former City Attorney Phillip Crego's opinion was the city couldn't do this, but the current City Attorney, Carol Duncan, says the city can do this. This ordinance will allow approval of stormwater maintenance agreements to be done completely in-house. Chairman Street also asked that the ordinance be walked on to the Council agenda, read all three times and have the emergency clause read as well so it can be enacted immediately.

Councilman Vance stated he will make the motion to add it to the Council agenda for tonight, but he thinks the ordinance needs to read at two meetings and finish it in two weeks. He noted the item isn't controversial, but it is an ordinance so he thinks they owe it to the public to read it at two separate meetings. Councilman Dover agreed, stating it should be heard with two separate readings.

A motion was made by Councilman Gene Vance, seconded by Councilman Darrel Dover, that this matter be Recommended to Council . The motion PASSED with the following vote.

Aye: 6 - Gene Vance;Chris Moore;John Street;Mitch Johnson;Darrel Dover and Ann Williams

Absent: 1 - Charles Coleman
