Kids' Kabbie is a child's transport service for children ages 1 to 16. Our service will be to transport children to and from school, to ballet, music lessons, soccer practice, etc.

Our service will be available from the hours of 6am to 7pm. The cost will be approximately \$5.00 to \$15.00 per trip. And I will only service the Jonesboro area.

I will be the only driver at this time and will add more vans and drivers as needed. All my vans will be brand new, and all vans will be equipped with child safety seats, fire extinguishers, and first aid kits. They will be inspected daily by me to insure things such as blinkers, lights, wipers, etc are working properly. They will be inspected on a regular basis by the car dealer where the vans are purchased.

All driver applicants will have a motor vehicle record check done on them by my insurance company, Nationwide. This check will be required before they can be insured, or hired. I will also have the police department perform a background check for any felony violations to make sure they are not sex offenders.

I really plan on hiring only family members at this time. Attached are a copy of my current motor vehicle driving record and a copy of the insurance I will be carrying.

I will also have money available for my business, which is currently being held in an employee-sponsored retirement account at Mid-South bank. Attached is a recent statement of this account. After I terminate my employment, this will be held by my bank in my name and my business name. The attached statement also states that this current account is to belong to me at my termination since I am fully vested with my place of employment.
