

John Street:

1. Cost benefit analysis for site on S. Caraway Rd., as well as the site on Washington Ave. (broad)
2. What would be the estimated cost to demolish the existing improvements on the Washington Ave. site, and provide an adequate solution to the drainage issue?
3. Which site provides the best location regarding access by the citizens of Jonesboro, from all parts of the city?
4. Which site would best be suited for future expansion and growth of the department?
5. How much excess land would be left on each site after its development for current needs? Pros and cons of each site's topography, drainage etc.

Chris Moore:

1. Can bond proceeds be used for purchasing new property?
2. Has the County Judge been consulted to see what services or spaces could be combined to reduce Justice Complex size?
3. Why can motor pool not stay on Caraway in current building, and administration be moved downtown and result in smaller building?
4. What is the cost of the new radio tower construction at proposed Caraway site?
5. Considering safety concerns with Justice Complex, are we better off to tear down building and then construct new building in that location to be able to reuse radio tower?
6. What is the estimated cost to do temporary repairs on Justice Complex?
