## REZONING INFORMATION:

The applicant is responsible for explaining and justifying the proposed rezoning. Please prepare an attachment to the application answering each of the following questions in detail:

**1. How was the property zoned when the current owner purchased it?**

- R1

**2. What is the purpose of the proposed rezoning? Why is the rezoning necessary?**

- My property is currently zoned R1 residential. I want to keep it as residential. My lot is .48 of an acre. I would like to build 2 single-family homes on this lot. My road frontage is 104.78'. According to the R-1 code a lot must be 60' wide and a replat would put me at 52-53 foot wide on each lot. My lot does get wider as it goes back. I took this to BZA and during the meetings there were recommendations that I try a rezoning. I would like to rezone to RS-7 because that zoning requires 50' frontage instead of 60'.

**3. If rezoned, how would the property be developed and used?**

- 2 new construction single family homes

**4. What would be the density of development (e.g. number of residential units; square footage of commercial, institutional, or industrial buildings)?**

- 2 New Construction Single family homes

**5. Is the proposed rezoning consistent with the Jonesboro Land Use Plan?**

- Yes. It would remain residential.

**6. How would the proposed rezoning be the public interest and benefit the community?**

- This lot sits in North Jonesboro where new construction single family homes are rare to see. Building new construction homes in north Jonesboro helps improve the area and contributes to helping existing property values.

**7. How would the proposed rezoning be compatible with the zoning, uses, and character of the surrounding area?**

- It would remain the same. It is currently Single family residential, and this would still be single family residential.

**8. Are there substantial reasons why the property cannot be used in accordance with the existing zoning?**

- R1 zoning requires 60' frontage where RS-7 zoning requires 50' frontage. / According to Arkansas House Bill 1503 (that was passed into law on March 18<sup>th</sup>, 2025) I can build 2 homes on this lot right now. 1 single family Home and 1 ADU up to 1000 Sq Ft. However, I feel that my site plan and property lay out would look better and be better aligned with the neighborhood to have 2 single family homes similar in size with the existing homes in the neighborhood.

**9. How would the proposed rezoning affect nearby property including impact on property value, traffic, drainage, visual appearance, odor, noise, light, vibration, hours of use or operation and any restriction to the normal and customary use of the affected property.**

- With or without a rezoning I would be able to build 2 single family structures on this lot.
- Property Value: I assume it would help contribute to property value growth in this neighborhood.
- Traffic: No change
- Drainage: No Change
- Visual Appearance: It would be an improvement to have 2 new single-family homes here instead of a vacant lot.
- Odor: No Change
- Noise: No Change
- Light: improvement
- Vibration: No Change
- Hours: No Change
- Restrictions: No Change

**10. How long has the property remained vacant?**

- Google shows a mobile home on the property in 2008, and then vacant in 2013

**11. What impact would the proposed rezoning and resulting development have on utilities, streets, drainage, parks, open space, fire, police, and emergency medical services?**

- No Change

**12. If the rezoning is approved, when would development or redevelopment begin?**

- 2026

**13. How do neighbors feel about the proposed rezoning? Please attach minutes of the neighborhood meeting held to discuss the proposed rezoning or notes from individual discussions. If the proposed rezoning has not been discussed with neighbors, please attach a statement explaining the reason. Failure to consult with the neighbors may result in delay in hearing the application.**

- Letters went out during the BZA process and I did not receive any letters or phone calls back addressing any issues.

**14. If this application is for a Limited Use Overlay (LUO), the applicant must specify all uses desired to be permitted.**

Hello,

My name is Weston Wagner, and I own the property located at 1306 Charles Drive. I am writing this letter because I am starting the rezoning process through the city of Jonesboro and I am required to inform all neighbors whose property is within 200 feet of my property.

Instead of just filling out the bare minimum I wanted to write a narrative to inform everyone of all details.

My property is a vacant lot zoned R1 for single family residential. It is 0.48 acres. I would like to build two brand new construction single family homes on this lot giving each property a  $\frac{1}{4}$  acre. The problem I have is that R1 must have a 60' frontage for each lot. My land is 105' wide (It gets wider the further it goes back) and would give each lot 52-53' of road frontage.

Therefore, I need a rezoning to RS-7 that would allow a 50' road frontage.

Nothing changes with the character of the neighborhood. Nor am I trying to build apartments. The RS-7 zoning is still single-family homes only. I am looking to improve the neighborhood and property values by adding 2 new single-family homes on a vacant spot of land.

As the land sits right now, I could build two single family structures. One would be the primary single-family home and the other would be an ADU (Accessory Dwelling unit). The ADU could be up to one thousand Square Feet. Arkansas House Bill 1503 (Passed March 18<sup>th</sup>, 2025) Allows an ADU on residential lots.

However, I feel that a rezoning would allow for a better lay out and site plan for the property. I would be able to build 2 new single-family homes that would match the character of the neighborhood.

If you have any questions, please feel free to reach out to me.

My cell number is 870-926-7994

Thank You

-Weston Wagner
