Re: Winters, LLC Annexation

To: Whom it may concern:

I am writing this in support of the proposed annexation of the property just east of Macedonia Road into the Jonesboro City limits. I feel this subdivision would be a great asset to not only the Brookland School District but to the city of Jonesboro as well.

Sincerely,

A handwritten signature in black ink, appearing to read "Keith McDaniel". The signature is fluid and cursive, with a large, sweeping flourish at the end.
