RE: Closing Kenesaw Street

Dear Brian:

CWL has an eight inch sanitary sewer on Kenesaw Street from the middle of Metzler Lane east 410' in length. We do not have water or electric lines there.

CWL will need a (20') twenty foot easement. Ten feet (10') either side of our existing sewer main, if Kenesaw Street is closed.

Thank you.

Sincerely,

A handwritten signature in cursive script that reads "Randy Simpkins".

RE: Abandonment of unimproved
Kenesaw Avenue from Metler Lane

Dear Mr. Wadley:

Concerning the abandonment of Kenesaw Avenue, we have no objection, as long as a 10' easement along the western property line in continued across Kenesaw Avenue as shown on the enclosed copy of the MacArthur Park Plat.

If you have any questions, please call me at 935-3615 ext. 202.

Sincerely,

A handwritten signature in cursive script that reads "Linda Brogdon".
