Rezoning Information

- 1.** The property was zoned RS-4.
- 2.** The purpose to rezone 5213 E Nettleton Ave is so I can build 2 houses.
- 3.** If rezoned, the property would be developed and used to build rental property for people to live in.
- 4.** The density and/or intensity of development is 2 because that is all I can get on this property.
- 5.** Yes
- 6.** To provide housing for the community of Jonesboro
- 7.** In that area there are other properties that are zoned R-2.
- 8.** It can, however in this area it would not be economical for me to build one large house on this large property. The fact is that it's more feasible to build 2 houses here where people could afford it.
- 9.** Since it will be new construction with good curb appeal, it is my judgement that it will only help the nearby property owners in that area.
- 10.** The property has been vacant to my knowledge at least 5 + years.
- 11.** It would have a great impact due to I have previously built a home behind this said lot and it is rejuvenating the area. I also plan on building another home beside this as well.
- 12.** If approved, the developing would begin immediately. We have sent certified letters to the neighbors that are within 200 feet of this property explaining what I am seeking and it gives the date and time of the board meeting allowing them to appear and voice any concerns.
- 13.** N/A
