TO: Jonesboro City Council

Be it resolved, that we, the undersigned, representing Jonesboro Baseball Boosters, Inc., petition the City Council to rename Northside Park, located at the end of Bridge Street and next to North School, to be called the Deral Burrow Memorial Park. We wish the city to duly honor the memory of our friend and great contributor to Jonesboro youth and Jonesboro baseball by so naming the aforementioned park for Deral.

Deral made a tremendous contribution to the community by his deep involvement in youth and baseball for over twenty years. Therefore, we think it only right and proper that Northside Park be renamed to reflect the contributions that Deral so willingly made to support youth.

Respectfully submitted,

*David Vance*
