INSPECTIONS DEPARTMENT STAFF

CODE ENFORCEMENT STAFF

CROSS TRAINING 2008-09

- All Plumbing/HVAC State Level Certified
- Inspectors are cross trained in all fields,
 - All of the Inspectors work together to have a quicker response time when an inspection is needed.
 - All Code Enforcement Officer, will be trained for Plumbing and HVAC State Level Inspections

COST-EFFECTIVE CHANGES

- Equipment
 - Inspectors are better equipped in the field.
 - This includes having a print capability by laser to mobile printers.
- New equipment is allowing the Inspections Department to save all inspections to a file that is backed up by Information Systems.
 - This reduces the paper cost for the Inspections Department by approximately 75%.
 - Code Enforcement will receive updated equipment to insure proper field inspections and accuracy of inspections.

ICC LEVEL TRAINING

- All Inspectors and the Permit Technician are enrolled in ICC Level courses for their specialty field
 - This makes the Inspector better equipped to perform a higher level of inspection due to detailed study.
 - All ISO requirements placed upon the inspection department have been met or will be met by September 2009.
 - All Code Enforcement Officers will receive ICC level training for a specialty field within the inspection department

PLAN REVIEW AND PERMITS

- The Inspections Department strives to maintain a 2 day turn around on plan reviews.
 - The Department reviews the plans after all of the other departments have finished their reviews.
- As opposed to residential plans, commercial plans take a little longer to adequately review due to the complexity of the plans

COOPERATION WITH OTHER DEPARTMENTS

- The Inspections/Code Enforcement Department strives to work as closely as possible with all departments to ensure a proper code analysis has been completed and all requirements are met before construction occurs.

DEPARTMENTAL UNITY

- I am proud of the unity of the department
 - All Inspectors work very well together to ensure the safety of the public.
- The Inspectors/Code Enforcement are quick to respond to all questions rather it be from Citizens of the City of Jonesboro or Contractors.
- The Inspectors/Code Enforcement have a high integrity of standards and self satisfaction in accomplishing all tasks set before them.

FUTURE GOALS

- Equipment upgrades
- To ensure that the City of Jonesboro Inspections/Code Enforcement Department strives to always satisfy requirements of the City and State.
- Most of all, the Inspections/Code Enforcement Department will continue to give good customer service to the residents of the City of Jonesboro.
- To ensure goals are obtainable for both inspections and code enforcement

INVITATION

- In order to achieve the goal of true professionalism, for the good of all, the Inspections/Code Enforcement Department is working for the City as a whole.
- All Council Members and members of the public are always invited to come by and visit with us and to ask any questions he or she may have regarding the Inspections/Code Enforcement Department.
