

July 31, 1990

Mr. Jim Reed, Manager
City Water and Light Plant
400 East Monroe Avenue
Jonesboro, Arkansas 72401

Dear Jim:

Please accept this letter as a request from the City of Jonesboro that the rotating beacon at the airport be changed over to a separate meter. Would City Water and Light be able to provide this service at no charge to the Airport Commission? Please advise me on this.

Sincerely,

HUBERT BRODELL
MAYOR
