Re: Res: 08:181 809 W Monroe / City Council Meeting
Schedule for Nov18th 2008

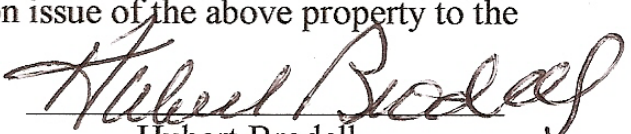

Mrs. Donna Jackson

Hubert Brodell is the owner of this property and was going to demolish it with his contractor. He found that he would not be able to build another structure on that property because of the size of the parcel. He is requesting more time to check the feasibility of rebuilding the structure and bringing it up to code. He is going to contact the Building Inspector on this and get back with us.

I request that resolution # 08:181 be moved from the Nov 18th 2008 City Council agenda and placed on the December 16th 2008 City Council agenda. Brodell states that he will demolish the structure with his contractor, if repair it is not feasible.
