

The Police Department is requesting the city council to confirm a resolution allowing the following vehicles be retained for spare parts to be used on police vehicles now in service.

Mechanical as well as body parts are interchangeable and will result in a saving exceeding what ever monies they may bring via auction.

Used police units auctioned in 1987 netted \$200.00 each.

Unit #834

1983 Chev.
VIN # 6560 (last 4 digits)
Miles 98,650

Unit #853

1985 Chev.
VIN # 8285 (last 4 digits)
Miles 93,482

Herrah -
Sheeton

*use as spare parts rather
than sell them*
