Dear Mr. Wadley,

This correspondence is in response to your letter dated 04-20-95 discussing the closing of the alley between Washington Avenue and Jackson Avenue. Arkla does have a 2" plastic gas main located in the alley. Arkla has no objections to closing the alley; however, an easement needs to be retained to allow surveying monitoring, and maintaining the gas main.

If you need any additional information from me, please do not hesitate to notify me.

Sincerely yours,
