RE: Request to Close Utility Easement

Dear Mr. Rollins:

This property was platted as Spring Valley Subdivision on which utility easements were dedicated. A copy of this plat is enclosed for your records. This plat was recorded in Plat Cabinet A at Page 25 in the office of the Circuit Clerk for the Western District of Craighead County in Jonesboro, Arkansas.

The replat of that subdivision has been presented to the Metropolitan Area Planning Commission for review at their April 13, 2004 meeting. A print of that plat is also enclosed. Please note that the utility easement along the lot line to be extinguished in the replat is to be abandoned. No utilities exist in this easement.

State law stipulates that the proper procedure for abandonment of an easement requires the passage of an ordinance by majority vote of the elected City Council. Simply recording the replat does not satisfy the legal requirements for closure of the easements. City officials need written evidence from all utility service providers agreeing with the closure before passing the required ordinance.

A space has been provided below for your signature acknowledging your concurrence with this proposed action to close the utility easements shown on the original plat of this subdivision. Please sign and return one copy of this letter.

Sincerely,

Clarence W. "Mac" McAlister, RE, PLS

I, Terry Rollins, Manager, Arkla Gas Company, concur in the closure of the utility easement as shown on Gerlach's Replat in Lots 1 and 9, Block C Spring Valley Subdivision as submitted to the City of Jonesboro for filing in the office of the Circuit Clerk for the Western District of Craighead County in Jonesboro, Arkansas.
