Annexation of Property off of Highway 226

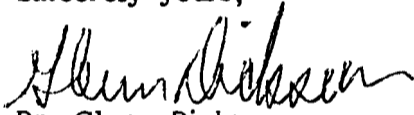

Dear Mayor Brodell:

In consideration of the City of Jonesboro annexing property which I own off of Highway 226, I agree to install a 6 inch water main 500 feet up my private drive to the house and install a pony fire hydrant as indicated by Wayne Masterson.

I have contracted with the Valley View Water Association, Inc. to install the water main and a fire hydrant.

I understand the significance of this letter and that you will be relying upon this letter in annexing Shady Acres Cove. I understand that this letter is an estoppel letter in nature and can be enforced in a Court of law or in a Court of equity.

Sincerely yours,

Dr. Glenn Dickson
