RE: Ralph Mattix

Dear Mayor,

I have mentioned to you on previous occasions that I would like to submit a request to dedicate the Craighead Forest levy in honor of Ralph Mattix.

I have read resolution - 05:402 that establishes a guide line for naming such a facility. I believe that section 1, Item #E qualifies Mr. Mattix since he has served well over 20 years on the Craighead Forest Commission and the Jonesboro Park Commission.

Enclosed is a history of Craighead Forest that recounts Mr. Mattix's involvement which began in the 1950's.

Please let me know when I and a number of his supporters can appear before the council to make this request.

Sincerely,

Bob Gibson
