6. Other Business

Councilmember Chris Moore said, "I'm going to try to find time in the next couple of weeks to meet with the mayor. I want to talk with him about some of the fees and

charges that we have in relations to the Inspections Department. Hopefully, he can review those and those maybe coming back to this committee in the next few months or maybe after the first of the year.” Chairman Mitch Johnson said, “Just to up date them?” Councilmember Chris Moore said, “I bought a permit today that was \$40 and it required the City of Jonesboro building inspector to come out and do an inspection, I highly doubt that covered our cost. He was there an hour, drove the city vehicle out, had to be processed through the Inspections Department, and had to be processed for payment in Collections and it was \$40.” Chairman Mitch Johnson said, “I wouldn’t have a clue when that was updated last.” Councilmember Chris Moore said, “I had the same inspection done by City Water and Light and it was \$264 and that did not include the permit. I think the \$40 was the permit and the inspection, so I’m going to talk with the mayor in the next couple of weeks and see if we need to review some of the charges and maybe update some of our fees.” Chairman Mitch Johnson said, “Looks like we are leaving a lot of money on the table.” Councilmember Chris Moore said, “I don’t think it should be a money making adventure but I think it should cover our cost.” Chairman Mitch Johnson said, “At least be more in streamline with today’s costs.”
