RE: Request to Close Alley on Fred Street

Dear Mr. Bowen,

Robert Marsh and John Robertson own all the property abutting an unimproved alley off Fred Street north of Oliver Street in the Dudley First Addition. They have both signed a petition to the Mayor and the City Council of the City of Jonesboro to close that unimproved alley.

It is possible that utilities are located in this unimproved alley. A copy of this plat is enclosed for your records. This plat was recorded in Plat Cabinet 123 at Page 150 in the office of the Circuit Clerk for the Western District of Craighead County in Jonesboro, Arkansas.

State law stipulates that the proper procedure for abandonment of an alley requires the passage of an ordinance by majority vote of the elected City Council. City officials need written evidence from all utility service providers agreeing with the closure before passing the required ordinance.

A space has been provided below for your signature acknowledging your concurrence with this proposed action to close this alley shown on the original plat of this subdivision. If you have no utilities there please sign and return one copy of this letter.

Sincerely,

Dan B. Mulhollen, PE  
President

I, Ron Bowen, Manager, City Water and Light, concur in the closure of the alley between Lots 30 and 31 in Block D of Dudley's Subdivision of Blocks B, C, D, E, F and G of Dudley's First Addition to the Town of Nettleton, Arkansas as shown on the plat as recorded in Plat Book 123 at Page 150 in the office of the Circuit Clerk for the Western District of Craighead County in Jonesboro, Arkansas.
