Subject: traffic resolutions

Donna,

I have the following traffic resolution requests to go before the council.

- 1) Designate Race Street one-way with traffic flowing eastbound between Court Street and Dudley Street. The one-way should be in effect from 7:30am-8:30am and 2:30pm-3:30pm (school days only).
- 2) Post the south side of Race Street between Court street and Dudley Street as "No Parking" bus loading and unloading zone.
(This area will be the main bus loading and unloading zone for approximately 10 buses.) I have conferred with Aubrey Scott on these recommendations.
- 3) Post Caraway Road from Stadium Blvd. to the city limits at Lawson Road at 40 mph (both directions).
- 4) Raise the speed limit on Richardson Road between Ingle Road and Frog Pond Road from 35mph to 40 mph.
