RE: Code Violation

To Whom It May Concern:

Mr. Troy Smith and his family live across the street from me and my family on Stephanie Lane. Their driveway and our driveway are directly across from each other.

Troy recently received a Code Violation due to a complaint by an area neighbor in regard to his RV sitting on the street between our two homes. Prior to parking on the street, Troy asked if it would inconvenience or hinder me & my family in any way to have it parked there. I immediately told him that it caused no problem and I gave him my approval should he decide to park it there. Since he has parked it there, it has caused zero problems to either of our families.

I would appreciate the City of Jonesboro Code Enforcement providing Troy the proper approval/permit to park on the street.

If you have any questions, please feel free to contact me at the above number.

Sincerely,

Nick Allen
