Dear Larry:

Enclosed is a proto-type ordinance relating to telephone solicitations by professional fund raisers and solicitors.

I believe passage of an ordinance like this would help eliminate some of the abuses that we have seen in telephone solicitation campaigns in Jonesboro, and I think it would supply some needed control and regulation in the area of such activities.

I am sending this merely as a guide in the hopes that it will assist you in facilitating the ordinance that you wish to submit to the city council. Please feel free to make any changes in the ordinance that you think are necessary, and you may wish to have it reviewed by your own attorney prior to submission to the city council. I would remind you that you need to call the city clerk in advance to have this included on the city's agenda.

I have enjoyed working with you on this matter and if I can be of any assistance in the future, please advise.

Very truly yours,

Scott Hunter
