Dear Ouida:

Please find enclosed a letter to the Council members with a copy of the letter I received from the Chief Deputy Commissioner of State Lands attached thereto. As indicated in the letter from Ms. Barnes, the lots in question were erroneously sold at the tax sale. If you have any questions or the Council is in need of any additional information, please do not hesitate to call. Thank you.

Sincerely,

Re: Abandonment of Birch Cove

Dear Council Members:

Please be advised that the attached letter from Peggy Barnes, Chief Deputy Commissioner of State Lands, indicates that Lot 28 and Lot 34 of Merrywood Subdivision were erroneously sold at the tax sale on February 17, 1988. The letter also indicates that refund checks were sent to those individuals on February 22, 1988. I have contacted the individuals and they have received the refund checks. In fact, the refund checks were received prior to the City Council meeting held on March 7, 1988. Hopefully this clears any reservations the Council may have regarding this matter. If it does not, then please so advise. Thank you for your cooperation in this matter.

Sincerely,
