Mayor Perrin explained one of the City's Engineers who drew and stamped the documents for this project is related to the owner of this company. He added he would like for this to be tabled for two weeks so he could get an opinion from City Attorney Phillip Crego to make sure this is legal.

Councilman Darrel Dover asked if it is ruled illegal would the City have to rebid the project or would the second lowest bidder be given the project. Mayor Perrin answered it would be the committees decision on what to do. City Clerk Donna Jackson explained state laws allows for this to happen, but if City Attorney Crego determines that there is an interest in this project, then the City would have to pass an ordinance which would allow for the City to still go with this company.

A motion was made by Councilman Darrel Dover, seconded by Councilman Charles Coleman, that this matter be Tabled . The motion PASSED by a unanimous vote

Aye: 5 - Gene Vance;Chris Moore;Mitch Johnson;Darrel Dover and Charles Coleman

4. Pending Items

Long-range facilities update

Discussion was held concerning various building projects at the Lacy Drive site. City Engineer Craig Light explained the vehicle storage building will be out to bid this Sunday. He added the fuel depot will not be able to be advertised this Sunday because the architect has not received anything back from the fuel company in Memphis as of this morning. He noted he hopes to have the fuel depot out to bid by next Sunday and have all other projects under contract within the next month.

Mayor Perrin asked if Mr. Light would give him a price for the administration building. Mr. Light answered yes.

Mayor Perrin commended Councilman Vance and Mr. Light for their work on this project. He added the target date to have everything burned at the incinerator is June 6. He stated the City may have to start burning 6 days a week since the City does not want to go past that date.
