

INSPECTIONS REPORT

TO THE MAYOR AND CITY COUNCIL:

The undersigned have made an official inspection of the property known as 706 Hope Street in the City of Jonesboro, Arkansas, which is apparently owned by Lenita Stack.

This property consists of an old dilapidated dwelling, which is found to be a fire hazard, a safety hazard and a health hazard. The structure is not habitable. It is not subject to effective repair.

On the basis of these facts, therefore, we recommend to the City Council that such structure be condemned in the interest of the public health and safety.

DATED this 9 day of Nov, 1966.
