

I, Harold Perrin as Mayor of the City of Jonesboro, do hereby affirm that all improvements to be constructed as part of this grant application will be on existing rights-of-way or easements that the City of Jonesboro has or will have the rights to use for this purpose. The City currently has a 60-foot right-of-way extending south along Matthews Avenue from Nettleton Avenue to the northern boundary of the Turtle Creek Mall property and an adjacent 60-foot drainage easement east of the aforementioned route. No additional rights-of-way or easements will be purchased with monies obtained through this grant.
