Construction of collage house  
a need for this type housing  
is good for people to down size  
living or young people starting  
out. more restriction would be better  
placed on this kind of building.

The ordinance should deferred  
type of houses are they going to be sold  
or rently property?

As this is written does not have  
enough defining or classification

Not spelled out in a HOA.

document, restriction on rights of  
home owners. etc. City Council maybe,  
this needs to be looked at closer.
