Jonesboro, Arkansas 72403

Dear Mr. Wadley,

This correspondence is in response to your letter dated 04-20-95 discussing the closing of the alley between Washington Avenue and Jackson Avenue. Arkla does have a 2" plastic gas main located in the alley. Arkla has no objections to closing the alley; however, an easement needs to be retained to allow surveying monitoring, and maintaining the gas main.

If you need any additional information from me, please do not hesitate to notify me.

Sincerely yours,

Tim Armstrong  
District Manager

RE: Abandon alley south of  
Washington Ave. & east of  
Madison St.

Dear Brian:

At present, City Water and Light has electric and sanitary sewer lines located in the above referenced alley. It is for this reason that we request that this alley remain open.

If you should have any other questions, please call me at 930-3321.

Respectfully,

A handwritten signature in black ink that reads "Randy Simpkins". The signature is written in a cursive, flowing style.

Randy Simpkins
