4. Discussion concerning Finance Committee meeting schedule

Chairman Dover explained with only one Finance Committee meeting a month the employee's are having a difficult time getting things together in order to be presented to the Council in a timely manner. He recommended the Finance Committee go back to two meetings per month in order to help eliminate having special called meetings.

Mayor Perrin agreed, adding there are times where it could be five weeks between Finance Committee meetings which is too long in order to meet deadlines. Chairman Dover stated since they decided last year to go back to just one meeting it seems like the city has had more business and needs more meetings to be held.

Councilman Street motioned, seconded by Councilwoman Williams, to hold regularly scheduled Finance Committee meetings on the second and last Tuesdays of every month at 4:00 p.m. All voted aye.

Mayor Perrin stated he will send out a notification to the department heads tomorrow so they will know about the new schedule.
