Attn: Mr. Ray Lindsey

Dear Mr. Lindsey:

The Metropolitan Area Planning Commission (MAPC) has requested that I write to you concerning certain stipulations imposed by the Commission as a condition for their approval of the Valhalla Estates Development.

The M.A.P.C. is specifically concerned about the stipulation that you make adequate provisions for drainage of surface water as stated in the Code of Ordinances, Section 21-15, Page 236. Apparently no course of action has been initiated by your organization to comply with this stipulation.

You are hereby requested to make a written report to this department no later than 1 July 1976 stating your intention to comply with the stated Ordinance and stipulation.

JOE D. TOMLINSON
CITY INSPECTOR
