

*With over 70,000 student housing beds throughout the United States, Asset Campus Housing presently manages a student housing portfolio of more than 120 properties and is the largest privately-owned student housing companies in the nation. Our success comes from focusing on providing college students with an environment where they can be successful. We build and manage properties that serve the needs of our residents, their parents and their universities and academic communities. Click on a state below to view our properties.*
