USE OF THE FARM LEASE FORM

This form contains suggested provisions for a live-stock-share farm lease. Whether particular provisions should be included or modified in your lease depends on the agreements between the parties and whether the provisions are appropriate under the laws of your State. Spaces are provided for writing in particular details or special arrangements that a landlord or a tenant may want. By using the Annual Supplement to Farm Lease (Form FmHA 1940-56), details of the lease can be changed from year to year without preparing a new lease.
