**CROWLEY RIDGE REGIONAL LIBRARY
INTERLOCAL COOPERATION AGREEMENT**

I. PARTIES

This is an Interlocal Cooperation Agreement ("Agreement") made pursuant to Act 402 of 1997 and A.C. A. § 25-20-101 *et seq.* This Agreement is entered into by and between Craighead County, Arkansas, acting by and through its County Judge and Poinsett County, Arkansas, acting by and through its County Judge and amends a previous agreement between the counties dated January 1, 2008.

II. NAME

Crowley Ridge Regional Library ("CRRL") is a separate legal entity created by the parties to support rural library services in Craighead and Poinsett counties.

III. PURPOSE

Crowley Ridge Regional Library ("CRRL") was created by the Craighead County Jonesboro Public Library ("CCJPL") and the Poinsett County Library ("PCL") so that resources from each could be shared in a way that would enhance rural library services and benefit the greatest numbers of citizens in Craighead and Poinsett counties. To that end, the CRRL Board of Trustees shall develop a Regional Library Collection Development Policy with emphasis on rural library needs aimed at acquiring and distributing all types of library materials to the citizens of these respective counties. The main library of the CCJPL system will provide administrative and technical assistance to all CRRL branch libraries. Technology services will be provided by CCJPL to all CRRL branch libraries. The CCJPL automation system will provide access to all materials in all CRRL branch libraries. Policies and decisions related to the acquisition and maintenance of these technology services will be the sole responsibility of the CCJPL Board of Trustees.

IV. ORGANIZATION

CRRL is governed by its Board of Trustees which consists of seven (7) members from the CCJPL Board of Trustees and five (5) members from the PCL Board of Trustees. The CCJPL Chairman serves as the CRRL Board Chairman and the PCL Board Chairman serves as the Vice-Chairman. The CCJPL Library Director or his designee serves as the ex-officio Secretary and ex-officio Treasurer of the CRRL Board.

Title to fixed assets held by the parties and used for library purposes at the time of the execution of this Agreement shall remain unchanged. Additional assets acquired with CRRL funds, state aid, grant monies, gifts and bequests made directly to CRRL shall become the assets of CRRL. Any assets obtained through CRRL for the purpose of construction of buildings or improvements to buildings owned by the respective county, city or non-profit entity shall not be considered assets of CRRL but instead shall be deemed assets of the said county, city or non-profit entity in which the building is located.

V. DURATION AND TERMINATION OF ASSOCIATION

The term of this Agreement shall be for the period of January 1, 2014 to December 31, 2018. The parties to this Agreement will continually assess the programs and services offered by CRRL to determine whether the current Agreement as legally constituted should continue or be modified or canceled.

This Agreement may be modified from time to time by mutual consent of the parties hereto or it may be canceled or non-renewed by either party hereto upon sixty (60) days prior written notice to the other party. Notice of cancellation or non-renewal of this Agreement shall be in writing and delivered by certified mail to CRRL Board Chairman and to the Board Chairman for the party against whom the action is taken.

In the event this Agreement is canceled or not renewed, all equipment and materials owned by CRRL will be equitably distributed between the parties. All materials delivered to a branch library before any notice of termination or non-renewal shall remain in its location. All materials purchased or delivered after notice of cancellation or non-renewal shall be equitably distributed among the branch libraries of the respective counties before the effective termination date. Both parties to this Agreement shall be entitled to a pro rata distribution of any CRRL monies in existence as of the date of termination or non-renewal.

VI. GOVERNING BODY

The CRRL Board of Trustees shall be the governing body and shall have the power, authority and the duties provided for in Act 742 of 1977. The CCJPL and PCL Boards shall continue to be solely responsible for the governance of their respective county library systems.

The CRRL Board of Trustees shall meet at least quarterly and at any other times deemed necessary to conduct the business of CRRL.

VII. FINANCING

CRRL is an authorized recipient of state funds by virtue of meeting Standards for State Aid to public libraries. State aid will be the primary source for funding the activities approved by the CRRL Board of Trustees.

PCL hereby agrees to provide not less than twenty (20%) of its millage income each year to fund the CRRL materials budget as approved by the CRRL Board. This funding will be matched by CCJPL up to a maximum amount of \$75,000. All such materials will be selected and cataloged by the professional and paraprofessional staff of CCJPL and equitably distributed to the branch libraries in each county. The CRRL branch libraries include: McAdams Library in Lake City; Kohn Library in Monette; Caraway Public Library; Goldsby Library in Lepanto; Marked Tree Library; Poinsett County Library in Harrisburg; and West Poinsett Memorial Library in Weiner.

In addition to the millage income heretofore described, twenty (20%) percent of state funds received by CRRL will be placed in the CCJPL database budget. Upon CRRL Board approval, state funds shall also be utilized for CRRL expenditures (e.g., vehicles, postage or delivery fees, mileage, and travel) and may be transferred to CCJPL to cover the cost of administration, technology services, supplies and

other services beneficial to CRRL.

Each county library is responsible for maintenance of its own branch library facilities. Assistance for building management, including expansion and grant writing, is available upon request to the CCJPL administrative staff. Each county library agrees to provide available funds for necessary replacement of existing technology hardware. Reports of technology use will determine necessary hardware replacement.

County and branch library personnel for each county are the responsibility of each county's board with salaries to be paid from their respective county funds.

IX. EFFECTIVE DATE

The effective date of this Agreement shall be January 1, 2014, provided it has been duly approved by the parties, approved by the Arkansas Attorney General and filed with the County Clerks of each of the two participating counties.

Dear Ms. Dobbins:

This is in response to your request pursuant to A.C.A. § 25-20-104(f)(1) (Supp. 2013) for my review and approval of the renewal of an interlocal agreement between Craighead County, Arkansas and Poinsett County, Arkansas, entitled "Crowley Ridge Regional Library Interlocal Cooperation Agreement."¹

My review indicates that the stated purpose of the agreement has remained unchanged, and includes the development of a "Regional Library Collection Development Policy with emphasis on rural library needs...."² According to my review, the agreement has been modified in only a few respects, pertaining specifically to the Library Director's service as ex-officio Secretary and Treasurer of the Board,³ the term of the Agreement,⁴ and the frequency of Board meetings.⁵

¹ This office issued its approval of the previous Crowley Ridge Regional Library Interlocal Cooperation Agreement, the term of which was January 1, 2008 to December 31, 2013. Op. Att'y Gen. 2009-061.

² Agreement at Sect. III.

The Interlocal Cooperation Act requires that interlocal agreements for joint or cooperative action specify the following items:

- (1) The duration of the agreement;
- (2) The purposes of the agreement;
- (3) The manner of financing the joint or cooperative undertaking and of establishing and maintaining a budget for it;
- (4) The methods of accomplishing termination of the agreement and for the disposal of property (if any) upon termination;
- (5) Any other necessary and proper matters.⁶

In addition, if the interlocal agreement does not establish a separate legal entity to conduct the joint or cooperative undertaking, it must specify the following items:

- (1) Provisions for an administrator or a joint board that will be responsible for administering the joint or cooperative undertaking;
- (2) The manner of acquiring, holding, and disposing of real and personal property (if any) used in the joint or cooperative undertaking.⁷

The agreement must specify all of the above-listed items.

Having analyzed the agreement you have submitted, I find that it meets the above-outlined requirements of the law. It is therefore hereby approved in its current form.

SECTION 11, S $\frac{1}{2}$ of SW $\frac{1}{4}$ Section 12, W $\frac{1}{2}$ and SW $\frac{1}{4}$ of NE $\frac{1}{4}$ Section 13; Sections 14 and 15, E $\frac{1}{2}$ of Section 22, Section 23, W $\frac{1}{2}$ and W $\frac{1}{2}$ of NE $\frac{1}{4}$ of Section 24, W $\frac{1}{2}$ of Section 25, Section 26, E $\frac{1}{2}$ of Section 27, E $\frac{1}{2}$ of Section 34, Section 35 and W $\frac{1}{2}$ of Section 36, all in Township 13 North, Range 3 East, Craighead County, Arkansas,

and that the aforementioned lands are partly within and partly without Drainage District No. 16.
