Jason & April,

Unfortunately, the attachments included with RES-22:254, the resolution amending the salary and administration plan, are incorrect.

Will you replace the two attachments, presently included with the Final Agenda, with these three attachments?

Additionally, a revised budget draft for RES 22:255 will also be necessary following the conclusion of the working session scheduled for tomorrow afternoon. I will forward this revised attachment to you tomorrow afternoon. At that time, I will request that you replace the attachment for RES 22:255, presently included with the Final Agenda, with a revised budget draft.

If I can assist with coordination of Admin approval regarding these requests, please let me know.

Thanks
Steve
