RE: Closing of Brentway Drive

Dear Mr. Seay:

As requested by Mr. Bob Gibson, this letter is to meet requirements for the above referenced.

CWL has no objections to the closing of Brentway Drive providing the developers provide us with a ten (10) foot utility easement either side of the common property lines of Replatted Lots #6, #7, #27, and #28, A Replat of Part of Hunter's Ridge Phase I & II.

If further questions, please contact us.

Respectfully,

Randy Simpkins, P.E.
Chief Engineer
