Re: Sewer Easement

Dear Jason:

Your firm has submitted a request for the abandonment of a sanitary sewer easement described as follows:

The south five (5) feet of the north fifteen (15) feet of Lot 24, Block B, Ridgepointe, Phase III Revised, of Jonesboro, Arkansas.

Hamman, Newell and Associates have planned a sanitary sewer line parallel and north of the requested abandonment and construction will begin soon. If field construction can be done as planned north of the existing storm sewer which is located along the north side of Lot 24, City Water and Light will have no objection to the abandonment as requested by your firm.

Please call if you have questions.

Respectfully,
