Jonesboro, AR 72401

Dear Roger:

Several of the City Alderman directed me to write you a letter informing you that your 30 day extension of the condemnation of the properties at 3809 Stevens and 3706 Griffin has expired. If you have a desire to ask for any additional time, you will need to appear before the City Council at their 12-19-88 meeting to explain why another extension is needed.

If you do not appear before the Council at this date, it will be assumed that you do not want any additional time and plans will be made to immediately tear down the building as originally directed by the Council.

Sincerely,

A handwritten signature in dark ink, appearing to read "Jeffrey A. Gibson". The signature is fluid and cursive, written over the printed name.
